

Letter of Recommendation

I am proud to endorse the accomplishments of Coach Academy graduates.

All Coach Academy graduates have successfully completed a rigorous and comprehensive coaching certification program designed to meet the highest standards in the profession.

Throughout their journey, graduates have demonstrated exceptional commitment and skill for the coaching profession.

The Coach Academy certification process includes:

- Extensive coursework approved by the International Coach Federation (ICF)
- Supervised coaching practice and experience
- 10 Hours of Mentorship from experienced, PCC Level Professional Coaches
- Minimum of 30 supervised coaching hours
- Minimum of 10 hours being coached
- In-depth study of coaching ethics and professional standards
- Evidence-based coaching techniques and methodologies
- A rigorous performance evaluation.

Our graduates join a respected global community of professional coaches who are committed to continuous learning and excellence in their field. They are prepared to apply their skills across various domains, including but not limited to business, leadership, personal development, and well-being.

The certification from Coach Academy is a testament to their expertise, professionalism, and dedication to the coaching profession. Our graduates bring valuable insights, skills, and a strong ethical foundation to any coaching opportunity they pursue.
